CUSTOMER REVIEWS:

I was very happy with my experience with Overstock Jewelry. I called to speak to someone at customer service. After two rings someone picked up. A human not a computer! She knew about the item I was inquiring about within seconds of me mentioning the item. The shipping was super super fast! The quality of the merchandise was very good and price was very fair. The item I received was almost like the picture on the site but better. They even send me a coupon for my next purchase! I will be shopping at Overstock again. Why pay high prices when you can pay a fraction of the cost for great replica merchandise. Thanks Overstock - Kaye S
